Hi, Rise Families,

Hopefully everyone is doing well. This letter is to inform you there have been a couple positive COVID cases reported at the school today. Under current health rules this will require the school to close down until after the Thanksgiving holiday. This is due to the large number of students that have close contact with the students who have tested positive.

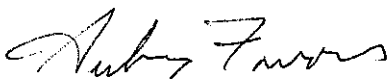

The school in an effort to keep everyone as safe as possible going into the holiday, will be sending packets home with every student for the four days remaining until the Thanksgiving break (18th, 19th, 22nd and 23rd). Information will also be posted online as well as robocalls announcing the school closing as well as the closing of all the after school programs.

We are asking that should your child show any symptoms, please have your child remain out of the building until they have been tested and are symptom free. All positive results and symptoms must be reported to the nurse.

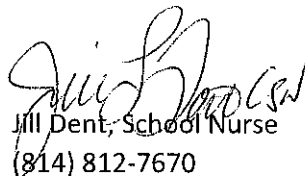

Rise wants every parent or guardian to be aware that the school will use the break to deep clean the building and prepare for a safe return of students on the 30th. If anyone has any questions please contact the nurse or myself at the numbers below.

Thanks for your cooperation, teachers will be available by phone, online, class dojo, google classroom and other normal means of communication. Please feel free to contact my office if you are unable to reach anyone for assistance.

Respectfully,

Aubrey Favors, Interim CEO
